

## **Baptism** L.M.

Tune: Melcombe

**As to the Jordan went our Lord,**  
So now we bring this child to you.  
Baptise with water and with Word,  
As you have bid us all to do.

This little child we now baptise,  
As heir of our Redeemer's grace;  
A living symbol of our faith,  
With water now a cross we trace.

On *his* behalf our promise make,  
To lead *him* in the Christian way;  
To watch and teach, and help *him* learn  
To follow Jesus every day.

So now dear Lord, we hand *him* o'er,  
Into Your pure and loving care;  
To mould *him* in Your perfect way,  
*Him* for Your Kingdom to prepare.
