

Christ is the Light CM

TUNE: Wiltshire

Christ is the light of all the world,
Yet with the darkest night;
Lit by His glory and His love,
He turns the dark to light.

Christ came into a world of sin,
To cast the dark away;
He came to bring mankind the Light,
And give the brightest day.

His is the light with which we shine,
When we call Him our friend;
He is our Saviour and our Lord,
We'll serve Him to the end.

We'll shine for Him in this dark world,
We'll be a lamp of grace;
We'll boldly go into the dark
Till we stand face to face.
