

Christ's Army 6.6.7. D

Let us join up and fight
In the army of Christ,
Wearing the armour of God;
Let us walk in Christ's way,
Fighting sin every day,
Walking where Jesus has trod.
We'll go forward in prayer
Knowing Jesus is there,
Fight for God's holy nation;
We'll have His shield of faith,
In the army of Christ,
And helmet of salvation.
We'll fight on every day,
Knowing right's on our side.
Till every battle's been won;
We'll fight on in this world
With the army of Christ,
With Jesus, God's only Son.
