

Good Men and True 8.8.8.8.

Good men and true, sing out your praise,
To Christ the King your anthems raise;
Your gifts and worship you must bring
To praise the Lord, the heavenly King.
He is worthy, so make your choice
To praise him with your heart and voice;
And celebrate this Christmas Day,
For Jesus Christ has come to stay.
He is our Saviour and our Lord,
Just as was promised in the Word;
Confess Him Lord and you will see
God's Kingdom for eternity.
Know the Saviour and see the Light,
And worship Him this very night;
Before the Ancient of all days,
Good men and true, sing out your praise!
