

Hear the Sound 8.7.8.7.

Tune: Dim Ond Iesu

Hear the sound of angels singing,
In the heavenly choir above.
Hear the news that they are bringing,
Of Christ's birth and of God's love.

They are telling of the Saviour
Come to earth from heaven above;
Of His birth in lowly stable,
And His sacrificial love.

They proclaim the joy of Jesus,
Of the manger where He lay;
God's own Son is man's salvation,
See Him lying in the hay.

Worship Him and give Him glory,
Lay your praises at His feet;
Alleluia! tell the story,
How Christ makes your life complete!
