

## **Jesus, My Saviour** 10.9.10.9.

*(TUNE: Morning Has Broken)*

Jesus my Saviour, Son of the Father,  
Sins are forgiven, mercy divine;  
With true repentance comes God's forgiveness,  
I claim salvation, Jesus is mine.

Jesus descended down from God's heaven,  
He is God's answer to mankind's sin;  
Death was sin's payment, once and for ever,  
Our Saviour died that we might go in.

Now we must worship, serving the Kingdom,  
Witness of His love to all mankind;  
Now and for ever, until we see Him,  
Burdened by all the lost and the blind.

We can rejoice now, our rich salvation,  
Granted to us through Jesus above;  
He is our Saviour, Son of the Father,  
Gift of redemption, blessed by His love.

Send all your praises winging to heaven,  
'Waiting the day when you see His face;  
Angels surround Him, praising His glory,  
Promised Messiah, sent by God's grace.
