

Kindle the Flame 8.7.8.7.

Kindle the flame of the Spirit,
Set the dead embers on fire;
Burning with love for the Saviour,
To His example aspire.
God's Spirit will guide and lead you,
In the footprints of the Lord;
In His hands you'll find your shelter,
And feed on His holy word.
His Word will keep and sustain you,
Like manna in wilderness days,
When you walk in Jesu's footsteps,
And your life reflects His ways.
With the flame of the Spirit kindled,
And the embers burning bright,
Living each day for the kingdom,
Walking each day with the Light.
