

Little Children 7.7.7.7.

Tune: JESUS LOVES ME

Little children pure and sweet,
Worship at the Saviour's feet;
He looks down at them to say,
Walk My straight and narrow way.

Yes! Jesus loves them!

Yes! Jesus loves them!

Yes! Jesus loves them!

The Bible tells us so.

Jesus seated on the ground,
Called the children, gather round;
Drew them close to be with Him,
Gave them life, pure, free from sin.

Yes! Jesus loves them! . . .

Promised them that He'd be there,
And would hear their every prayer;
He'd supply their every need,
All His little lambs He'd lead.

Yes! Jesus loves them! . . .
