

Mission 6.6.6.6.

Tune: St Cecilia

We have a task to do,
To glorify our Lord,
To do the things He asks,
To share God's holy Word.

In His great Mission field
United we must be;
For Christ has asked us all,
And that means you and me.

The harvest fields await,
The labourers are few;
The trumpet call rings out,
It's calling me and you.

In Christ we've seen God's love,
Redemption without cost;
We must rise up and take
Salvation to the lost.
