Tune: DIM OND IESU

There's a sound of heav'nly singing
from the angelic choir above;
happy, joyful sounds are ringing
out the news of Jesus' love.
That great love which, all embracing,
brings us joy and sets us free:
perfect love of Christ the Saviour,
there for all the world to see.

He came down to bring the message
of God's overwhelming love;
of the power of forgiveness
coming down from up above.
He speaks of the Holy Spirit
who can set our hearts on fire;
and the news of God in heaven,
sung by His angelic choir.
