

Things I Know 7.7.7.7.

Tune: Buckland

There are many things I love,
And so many things I know,
Butterflies and buttercups,
All the living things that grow.

Birds that fly up in the sky,
Kittens, puppy dogs and snails,
Tall giraffes and elephants,
Dolphins, porpoises and whales.

Pretty flowers and conker trees,
All the things that children love;
Every single one of these
Has been made by God above.

For each thing that we can name,
We will praise and thank Him too,
Not forgetting one last thing,
For He's created me and you.
