

The One True God 6.6.6.6.

Tune: Quam Dilecta

You are the one true God,
And we our worship bring;
Creator of all things,
This song of praise we sing.

Alone You're holy, Lord,
You are the One-and-Three,
The Father, Spirit, Son,
The holy Trinity.

All heav'n bows down to You,
Acknowledging Your ways,
In wonderment and awe,
Give love's eternal praise.

We join with angel throng,
Who gather up above,
To glorify and praise
With wondrous songs of love.

So may it never end,
This holy song of praise,
We praise the one true God,
Our Father, all our days!
