

Water of Life 8.8.8.8.

Tune: *Celeste*

Show me the glorious river,
that flows with the water of life;
as clear and as pure as crystal,
with its source at the throne of God.

Show me the tree of life, that grows
by the river on either side;
show me the leaves that heal the world,
and the throne of God and the Lamb.

Show me the everlasting light
that shines from the glory of God;
wash me in Christ's holy fountain,
and cleanse me with His holy Word.
