

We'll Praise God 7.6.7.6.

For all that God has given,
The blessing of our days,
We'll glorify the Father,
In never-ending praise!
For every gift and talent,
For all the joy and love,
Our praises wing to heaven,
In praise of God above.
For He alone is worthy,
Deserving of our praise,
So now our lives we offer,
Walk always in His ways.
