

Perfect Love Song

I'll write a perfect love song
to sing to you each day,
to tell you that I love you
in ev'ry single way.

It'll be a perfect love song
to tell you how I feel,
to say to you I love you
and that my love is real.

*Sing this perfect love song
I've written on your heart,
words to always be with you
if ever we're apart;
I'll love you forever,
until the sea runs dry;
until the end of never,
and stars fall from the sky.*

The first time that I saw you,
when you came into view,
I knew right then I loved you
and you would love me too.
Then all the words came to me,
into my eager heart;
to seal our love for ever,
true love right from the start.

*Sing this perfect love song
I've written on your heart,
words to always be with you
if ever we're apart;
I'll love you for ever,
until the sea runs dry;
until the end of never,
and stars fall from the sky.*

My lazy, crazy love song,
with love in every line,
will tell you I'll be with you
beyond the end of time.
Way past the end of never,
where love is all it seems;
my love, now and forever,
rocked on a sea of dreams.

*Sing this perfect love song
I've written on your heart,
words to always be with you
if ever we're apart;*
