

This is the Way

People say that pictures are worth a thousand words,
that's why I'm sending you this photograph of me:
then, if the story's true, it will speak to you,
and tell you how true love is meant to be.
Yes, if the story's true, it will speak to you,
and it will tell you how true love is meant to be.

Place it 'neath your pillow,
on each and every night,
And every dream you have
will be a dream of me.
Then you'll awake one day,
turn to me and say,
This is the way that true love is meant to be.
You'll awake one day,
then turn to me and say,
This is the way that true love is meant to be.

The thousand words this picture whispers to your heart
Will whisper that I love you, how it's meant be;
We'll prove the story true, just for me and you,
We'll show them how true love is meant to be.
Turning then we'll say love is the only way,
This is the way that true love is meant to be.
