

# Sometimes Dreams Come True

C G/B C E m

1. I have wan - dered in my mind — ten times a - round the world;  
2. Flights in planes and air - bal - loons — have car - ried me on high;  
3. Doors have o - pened up to me, — where - ev - er I have been;  
4. I have dreamed the world a - way, — And wish - es do come true;

I have been to ev - ery na - tion, seen their flags un - furled. I've —  
Through the storm - y times in life, — be - yond the blu - est skies. On —  
Friends have all been wait - ing there, — In ev - ery sing - le dream. I've —  
I have tra - velled 'cross the globe — to come back home to you. I've —

gone to pla - ces near and far, — towns and ci - ties where — I've been;  
trains and planes — I've trav - elled far, — on sail - ing ships and sub - mar - ine;  
some - times stopped — to wait for you — where I thought you might — be laid,  
been to pla - ces, seen the sights, — and the won - ders I — have seen,

They have all been home to me, — a — place where I — could dream.  
They have all been good to me, — a — place where I — could dream.  
Some - times I have glimpsed your face, — in — sha - dows and — in shade.  
I'll re - live once more with you, — to - geth - er we — will dream.

Hard pave - ments and dark door - ways, where I've spent my life — it seems, —  
Card - board dreams be - neath night's cloak where I dream my life — a - way, —  
Hard pave - ments and dark door - ways, where I've spent my life — it seems, —  
Dream of worlds so far away — where our dream - ing all — comes true; —

But one thing I have learned from this — is how to build — my dreams. —  
High up a - mong the ga - la - xies, — I dream both night — and day. —  
But one thing I have learned from this — is how to build — my dreams. —  
One thing — that I've learned from this — it's al - ways up — to you. —
